MESSAGE FROM **FOUNDER PRESIDENT**

Dr. Ashok K. Chauhan

Founder President,
Ritnand Balved Education Foundation (The Foundation of Amity
Institutions and the sponsoring body of Amity Universities)
Chairman, AKC Group of Companies

Amity is not just a group of institutions which imparts world-class education, but an experience where everyone associated is part of a dream, a mission to see that we nurture truly great leaders.

Today, we are proud that Amity is synonymous with practical, industry focused education, and attracts the best students. The fact that our alumni are working in the best companies across the world is a testament to our extremely talented faculty who inculcate, by example, in each student the spirit of dedication, sincerity and loyalty, and to all the corporates who support our mission with so much enthusiasm.

Each one of our students will be a success story. This is my dream; this is my commitment.

MESSAGE FROM **CHANCELLOR**

Dr. Atul Chauhan

Chancellor,
Amity University Noida

Amity Group of Institutions apart from imparting world-class education, also strives to inculcate good values, and ethics to build and groom the global leaders of tomorrow. We are creating centres of thought leadership across the world, where faculty, scientists, and brilliant students can explore and expand the frontiers of knowledge.

Amity is not just a group of institutions which imparts world-class education, but an experience where everyone associated is part of a dream, a mission to see that we nurture truly great leaders.

ABOUT AMITY UNIVERSITY ONLINE

Amity University Online is a pioneer in digital education in India and the country's first university to receive UGC approval for offering online degree programs. Committed to making higher education accessible, flexible, and future-ready, the university delivers high-quality learning experiences tailored to the evolving needs of today's learners.

The university offers a wide range of UGC-entitled undergraduate and postgraduate degrees and certificate programs across Management, IT, Commerce, Data Science, Journalism, Humanities, and more. Amity University is featured in the QS World University Rankings and QS Asia Rankings, and Amity University Online has earned several accolades, including Best Online University at the ASSOCHAM Education Excellence Awards and a Silver Award at the QS Reimagine Education Awards 2025.

With strong student engagement through webinars, industry talks, and skill-building workshops, the university also collaborates with leading organizations such as HCL Tech, KPMG, TCSiON, and Paytm. Backed by a global alumni network of over 350,000+ learners, Amity University Online continues to drive meaningful career and life transformations.

Amity University Online, today, offers the largest number of approved online degrees to the largest number of online students across India, reflecting Amity's commitment towards empowering our youth through world-class education, who in turn will ensure a Viksit Bharat.

MESSAGE FROM
CHAIRMAN

Mr. Ajit Chauhan

Chairman,
Amity University Online

In today's fast-paced and interconnected world, the pursuit of knowledge has never been more accessible. Amity is committed to providing you with a world-class education that transcends geographical boundaries. Whether you are a working professional seeking to advance your career, a dedicated lifelong learner, or someone taking your first steps into higher education, our digital platform is designed to accommodate your needs and aspirations.

As the landscape of education evolves, so do we. Our esteemed faculty, staff, and state-of-the-art technology are here to support your educational journey. From interactive online programs and courses to digital libraries and academic forums, you'll have access to a wealth of resources that will enhance your learning experience.

At Amity, we're not just preparing you for a career; we're empowering you to make a positive impact on this world. So, whether you're ready to take the next step in your career or explore new horizons, we invite you to join us at Amity University Online and embark on a journey of discovery and growth.

MESSAGE FROM **VICE CHANCELLOR**

Prof. Dr. Balvinder Shukla

Amity University, Noida

Amity University Online epitomizes an unwavering pursuit of excellence, cutting-edge innovation, and transformative learning. Rooted in knowledge, research, and comprehensive education, your learning journey at Amity Online is tailored to transcend knowledge barriers and shape your destiny.

At Amity Online, we embrace a legacy of brilliance that empowers you with industry-centric skills, knowledge and expertise to achieve success confidently through lifelong learning and values.

MESSAGE FROM **GROUP DIRECTOR**

Prof. Abhinash Kumar

Amity University Online

Amity University Online provides 'Anytime, Anywhere' educational experience, intensive corporate interaction, industry-oriented teaching delivered by eminent corporate experts and world-class faculty.

Designed to suit both graduate students and working professionals, our programs adhere to UGC's stringent criteria and we are at par with the campus programs.

MESSAGE FROM **DIRECTOR**

Ms. Monica Agarwal

Amity University Online

Amity University Online is dedicated to redefining education through innovation and excellence. Our meticulously crafted programs cater to the dynamic needs of learners, equipping them with industry-relevant skills and an unwavering commitment to growth.

Our aim is to inspire curiosity, ignite potential, and deliver a learning experience that goes beyond the ordinary. Therefore we focus on academic excellence, innovation and holistic development which creates a pathway for success, achievement, and lifelong impact.

ABOUT RICS SCHOOL OF BUILT ENVIRONMENT

The RICS School of Built Environment (RICS SBE) was established in 2013 through a strategic partnership between the Royal Institution of Chartered Surveyors (RICS) and Amity University. RICS is a globally recognized professional body with a heritage of over 150 years, setting and upholding the highest standards in the valuation, development, and management of land, real estate, construction, and infrastructure. With over 130,000 members and candidates in more than 140 countries, RICS plays a pivotal role in shaping the built environment globally.

RICS SBE, located at Amity University campuses in Noida and Mumbai, is India's first industry-led academic institution focused on real estate, construction, and infrastructure education. The school offers specialized undergraduate and postgraduate programs that are designed in close collaboration with the industry to address the skill gap and produce future-ready professionals. Since its inception, RICS SBE has enrolled over 3,000 students, providing them with an education that combines academic excellence with global industry relevance.

At RICS SBE, students are taught and mentored by industry professionals and RICS-accredited faculty, ensuring they gain practical insights and globally benchmarked knowledge. This rigorous, industry-aligned approach prepares graduates to become top-performing professionals in the construction and real estate sectors, cementing RICS SBE's reputation as a leading institute for built environment education in India.

MESSAGE FROM

MANAGING DIRECTOR

Mr. Ashwani Awasthi

Managing Director- RICS, South Asia

India's construction sector is rapidly transforming through smart technologies, sustainable practices, and modern project management approaches. The Online MBA in Construction Project Management is designed to develop future-ready professionals equipped with expertise in project planning, BIM, AI-driven technologies, contract management, and sustainable construction.

This industry-led program bridges the gap between technical knowledge and managerial leadership, enabling professionals to drive innovation, improve efficiency, and deliver globally benchmarked infrastructure projects. At RICS School of Built Environment and Amity University Online, we are committed to nurturing skilled leaders who will shape the future of construction and sustainable development in India and beyond.

MESSAGE FROM

DIRECTOR

Dr. Shiv Prasad Singh

Associate Professor & Associate Director,
RICS SBE, Noida

RICS School of Built Environment has been a pioneer in industry-led education for the built environment sector, introducing specialized MBA and BBA programs in Construction Project Management and Real Estate. The MBA in Construction Project Management has produced global industry leaders across contracting, consultancy, and technology firms.

To help working professionals and aspiring managers upskill while continuing their careers, the Online MBA in Construction Project Management has been launched. The program combines strong fundamentals, industry projects, and emerging technologies like AI, 3D printing, and drones to prepare future-ready leaders for sustainable global development.

ABOUT PROGRAM

MASTER OF BUSINESS ADMINISTRATION

IN CONSTRUCTION PROJECT MANAGEMENT (CPM)

LEARNING EFFORTS: 12/15 HRS A WEEK

DURATION: 2 YEARS | **CREDITS:** 113

ACCELERATE YOUR CAREER SUCCESS WITH AMITY'S ONLINE MBA IN CONSTRUCTION PROJECT MANAGEMENT (CPM)

This program is a future-ready, 2-year (4-semester) postgraduate program tailored to meet the evolving needs of the global construction and infrastructure industry. This specialized MBA is exclusively designed to empower professionals with the tools, knowledge, and strategic vision needed to lead complex construction initiatives from concept to completion. The program bridges the gap between traditional civil engineering expertise and modern management practices. It equips learners with advanced skills in project planning, budgeting, cost control, quality assurance, sustainable construction, contract management, and the use of cutting-edge technologies like Building Information Modelling (BIM), IoT, and Lean Construction.

Designed for mid-career professionals, international learners, career returnees, and PwD candidates, the program offers the flexibility of online learning without compromising academic rigour. Whether you're a civil engineer aiming for leadership roles, a project manager seeking formal specialization, or a professional returning to the workforce, this program provides the strategic, technical, and operational insights required to excel in high-impact infrastructure roles—all without putting your current career on pause.

ALUMNI WORKING AT

FAQs

1. Who is this program ideal for?

This program is ideal for professionals and graduates aiming to build or advance their careers in the construction, infrastructure, and real estate sectors with managerial and leadership capabilities.

2. What is the duration of the MBA in Construction Project Management?

The program is a 2-year (4-semester) fully online MBA, designed to balance professional commitments and academic learning.

3. Is this MBA recognized globally?

Yes, the program is globally recognized and meets industry-relevant standards.

4. What are the key skills I will gain from this program?

You will gain expertise in project planning, budgeting, risk management, sustainable construction, emerging construction technologies, and leadership.

5. Will I get placement assistance?

Yes, the University offers placement support through its dedicated placement cell with a focus on global opportunities.

6. Is there any campus immersion involved in this program?

The program is delivered fully online through live faculty-led sessions, expert webinars, and interactive case studies. However, optional campus immersion or events may be planned and communicated during the course.

7. How will the classes be delivered?

Classes are delivered through live online lectures, expert-led webinars, and interactive sessions supplemented by real-world case studies.

8. What laptop/desktop configuration is recommended for the program?

It is recommended to have:

- Core i7 or i9 Processor
- 16 GB or 32 GB RAM
- 512 GB or higher SSD NVMe
- Graphics Card: Nvidia Quadro 4GB or 8GB or higher

9. Will I need any special software?

Yes, certain courses may require specialized software. The University will either facilitate access to these tools or assist students in planning for them. Academic or demo versions may be used wherever applicable.

10. What if I face technical issues?

The academic and IT teams of the University will provide full technical support to resolve any platform or learning-related issues.
